

# Revelion 2012 - oferta de pre&#539;uri în Timi&#537;oara

Articol de: 247timisoara

Pentru cei care vor sa petreaca noaptea dintre ani intr-unul din cluburile timisorene, iata lista de preturi pentru Revelion 2012 in Timisoara. O parte din cluburi au ales sa nu treaca preturile, incredibil din punct de vedere al PR-ului si imaginii lor, altele si-au trecut tot meniul. Cu rosu sunt trecute recomandarile noastre pentru revelion in cazul in care nu v-ati ales locatia in care sa il petreceti. Totodata, am trecut in paranteza la cateva locatii cuvantul scump datorita diferentei de pret afisata fata de celelalte locatii de aceiasi categorie, pretul nefiind in opinia noastra justificat de meniu si program. Ca exemplu avem Heaven Studio vs Bugard Pub la acelasi pret 200 lei - o discoteca de lux cu program artistic samd vs un pub nou infiintat.</p>
